

Sportzware Tipping adds an extra element of interest and excitement to your association's online presence. It's a great way for members to take an active interest in your association's competitions and to keep members regularly checking the results website.

Tipping competitions can be set up for your association's code of sport as well as any other major codes. Sportzware Tipping is designed with the most novice user in mind and is accessible 24 hours a day. The user-friendly layout is simple to navigate and includes a list of reports and summaries to keep tippers up to date with their progress and that of all other tippers. Your competition can even be 'branded' with sponsorship to cover administration costs.
